

INTRODUCING

CARIBBEAN  
EDITION

# APO-ABIRATERONE TABLETS

A generic alternative to Zytiga

## PRODUCT COMPARISON

The product comparison section displays two columns of information. The left column is for the 250 mg strength, and the right column is for the 500 mg strength. Each column shows a box of 'APO-ABIRATERONE FILM COATED TABLETS' with the Apotex logo and 'TORONTO CANADA'. Below the boxes are 2D Unit Dose Blister packs. At the bottom of each column are four actual-size tablets: Apo-Abiraterone 250 mg (two reddish-brown tablets with 'APO' and 'AB250' markings) and Zytiga 250 mg (two white tablets with 'AA' and '250' markings). The 500 mg column shows Apo-Abiraterone 500 mg (two reddish-brown tablets with 'APO' and 'AB500' markings) and Zytiga 500 mg (two reddish-brown tablets with 'AA' and '500' markings).
