

Ziotis Online Ordering Portal

Ziotis has been supplying the Caribbean market since 1977, building long-standing relationships across the region. As a family-run business, we take pride in offering a personal, responsive service, combining decades of experience with a strong commitment to reliability. We understand the importance of timely supply and consistently strive to deliver products quickly and efficiently, backed by a high standard of customer care.

We're pleased to introduce our new online ordering platform, designed to make purchasing from Ziotis International faster and more efficient.

Through the platform, you can browse pricing and place orders across a wide range of product categories, including:

- UK Branded
- OTC
- PLOF
- UK Generics
- Imported Generics

The portal is designed to simplify product searches and streamline ordering. All items available reflect our latest monthly pricing lists.

To begin using the ordering features, please create an account using one of the links below:

USD Portal: <https://us.ziotis.co.uk/webshop/-account/?create=yes>

GBP Portal: <https://ziotis.co.uk/webshop/-account/?create=yes>

Once registered, your account will be reviewed and activated, giving you full access to place orders online.

Please note that some products may not yet be visible on the platform. For certain items, ordering via email may still be required at this stage.

If you have any questions or require assistance, our team will be happy to help.
